Who's Who in Decatur™ MAGAZINE

FALL/WINTER 2005

DR. STEPHANIE TEICHMILLER

Dentistry with a woman's touch is celebrating changing smiles and lives for 15 years. This month's cover features Dr. Stephanie Teichmiller whose unique approach to the often "dreaded" dental appointment will have you totally relaxed and pampered. In a new state-of-the-art facility designed personally by Dr. Teichmiller, you can experience not only extreme smiles, but also extreme customer service.

Teichmiller says, "My goal was to take an experience that may be frightening for many people and turn it into a pleasurable experience for all." What an experience it is. You are actually greeted by name and welcomed into a reception area furnished comfortably like a great living room. There are no TVs; only great, relaxing music. There are no "dental smells"; only fabulous aromatherapy blends. Relax and enjoy yourself at the self-serve Cappuccino Bar and refreshment area stocked with the most tasty and healthiest treats. Are you a few minutes early for your appointment? Enjoy a complimentary massage from Jim Boyd, a Massage Therapist. After being escorted to the Treatment Suites, select one or all of the pampering amenities like a heated aromatherapy neck pillow or experience a lavender paraffin hand treatment, just to name a few.

Don't let all the fluff fool you. This team is dedicated to your oral health and has the training to prove it. This high-tech office sports chair side computers in every room with digital x-rays and smile enhancing capabilities. Dr. Teichmiller says, "The focus of the practice is to provide Comprehensive Dentistry, whether that is a cosmetic makeover, assistance with TMJ dysfunction, or the most gorgeous set of dentures you have ever seen." Dr. Teichmiller graduated as *Turris Fidelis* from the University of North Alabama with a liberal arts degree in Professional Biology, Chemistry, and Business. She is also an honors graduate of the University of Alabama School Of Dentistry with a Doctor of Dental Medicine Degree. Dr. Teichmiller completed an Oral Pathology Fellowship and was awarded a prestigious International Association of Dental Research Award.

Dr. Teichmiller's post graduate training includes extensive study in Cosmetic Dentistry. She is a graduate of the Las Vegas Institute of Cosmetic Dentistry and uses these skills to give back to her community. Dr. Teichmiller was recently named the Official Dentist of the Miss Alabama Pageant. She was the first Dentist

in Alabama to restore a smile through the American Academy of Cosmetic Dentistry's "Give Back a Smile" program. This program pairs an American Academy of Cosmetic Dentistry dentist with a woman whose smile has been destroyed by domestic violence. Her other "signature" project is the nationally recognized Mission: Makeover. She orchestrated a team of professionals to donate their talents to provide an extreme makeover for a deserving lady with all the profits donated to charity.

So no matter what is holding you back, come let the excellent team of Dr. Teichmiller ease you into that beautiful smile that you know is there. Call (256) 350-5820 for your initial consultation today. Visit the office at 1316 Somerville Road SE, Suite 2 in Decatur, AL 35601 or visit the web site at www.alabama.classic smile.com or www.missionmakeover.com.
